MASONIC FUNERALS

Masonic Funerals must be requested by a family member or guardian. Make sure you let your family members know if you desire a Masonic Funeral.

DURING THE SUMMER

Please keep the Lodge informed of any issues related to our members. If you know of someone who is ill or passed away, please let the secretary know.

Petitions will be accepted during the summer although no action can be taken on them until September.

Thank you to all who regularly attend our Stated and Extra meetings. You are the backbone of the Lodge and your dedication is greatly appreciated.

Lansdowne Lodge owns the building where our Lodge room is located. As such, we are landlords and members of the community. As landlords we have a responsibility to maintain the property. There is work which needs to be done. Therefore we will hold, at least one, work day during the summer when we will ask for Brethren to come out to paint, clean and perform other tasks which need to be taken care of. While we could pay to have these things done, it is more financially responsible to do it ourselves. We do not have the luxury to be able to spend money in excess of that which we take-in. Because of that, those tasks that are necessary will be performed before any "wish list" projects. We have to be able to pay for improvements before we commit to them.

Should the need arise; you can contact the Secretary during the summer months.
